Youth cricket Development

World Cricket Academy (WCA)

- Mission -“To provide quality coaching and cricketing facilities for any individual or team wanting to experience and learn the skills of cricket and its unique cultures in a variety of different countries.”
- Launched in 2002 as the world’s first international independent residential cricket education programme. Provided programmed coaching for both professionals and juniors including special programmes for players from English county sides such as Essex with Graham Gooch and Middlesex with John Emburey, followed by professionals from Nottinghamshire, Kent, Sussex, Gloucestershire, Leicestershire, Lancashire, ECB Academy and the MCC young cricketers.
- The growing list of alumni now includes Test and One-Day International players.
- The WCA was the Official Tour Organiser for the Lords & Commons Cricket Tour of India.
- Currently most WCA programmes are run out of our centres in India at the prestigious Cricket Club of India and Bombay Gymkhana in Mumbai and offer excellent facilities and conditions for winter and spring development and training, as well as, pre-season fitness.

Bowling tips by WCA spin bowling coach, N Hirwani

Youth Development Programme (YCD)

- Is a development programme, **for individuals** from all over the world, wanting to learn and experience playing cricket in a new culture and environment.
- The programme is spilt into two halves with the primary focus on coaching followed by matches.
- The WCA aims to strike a balance between development of the individuals cricket, and learning the nuances of a foreign country and culture. There is constant interaction with locals in the form of matches as well as practice where culture is shared; leading to the development of new friendships.
- The WCA treat this cross-cultural interaction an integral part of its programme, leading to the growth of tomorrow's cricketers and youth. (WCA's YCD programmes run in a variety of age groups U15's U17's and U19's).

**Conditions apply*

Zubin Bharucha & WCA Team with Swapnil Asnodkar during Rajasthan Royals camp in Jaipur

Narendra Hirwani during Hampshire camp in Bombay Gymkhana, Mumbai

Location -Bombay Gymkhana

- Located on a prime site on Azad Maidan in South Mumbai and offering the finest sporting facilities to its members, the Bombay Gymkhana has had as fascinating a history as that of the city of its birth.
- In 1872, a decision was taken to amalgamate the activities of several sporting clubs such as the hockey, football, golf, cricket, gun and boat clubs into one association and, as an early brochure published by the Club decreed, "to offer young sportsmen of small means the opportunity of indulging their proclivities at a minimum cost to themselves and at a maximum production of enjoyment to the general public". The establishment of the Club was largely due to the steadfast efforts of Captain Ernest Lindsay Marryat and Lieutenant Carmichael Light Young.
- **The first ever test match in India was played at the Gymkhana grounds between India and England, which lasted for 4 days beginning on 15th December 1933**
